GENERAL MANDATE TO REPURCHASE SHARES

At the special general meeting of the Company held on 27 December 2007, a general mandate was given to the Directors to exercise all the powers of the Company to repurchase its own Shares and such mandate will lapse at the conclusion of the forthcoming AGM. RECOMMENDATION

The Directors consider that the proposals for General Issue Mandate, the Repurchase Mandate, the extension of General Issue Mandate and the re-election of Directors are in the best interests of the Company and the Shareholders. Accordingly, the Directors recommend that all the Shareholders should vote in favour of all the ordinary resolutions to be proposed at the AGM.

Yours faithfully
For and on behalf of the Board
Cheung Ngan
Chairman

This is an explanatory statement given to all Shareholders relating to the ordinary resolution to be proposed at the AGM authorising the Repurchase Mandate.

This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) of the Listing Rules which is set out as follows:

1. SHARE CAPITAL

As at the Latest Practicable Date the issued and fully paid up share capital of the Company comprised 1,258,296,800 Shares and outstanding Options which are exercisable into 59,700,000 Shares. The exercise price for 54,700,000 Options and 5,000,000 Options are HK\$0.86 per share and HK\$2.95 per share respectively.

Exercised in full of the Repurchase Mandate, if so approved, on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the approval of the Repurchase Mandate generally (not taking into account of exercising the subscription rights attaching to the outstanding Options as at the Latest Practicable Date), the Company would be allowed under the repurchase resolution to repurchase a maximum of 125,829,680 Shares during the period from the date on which such resolution is passed until the date of (i) conclusion of the next AGM of the Company; (ii) the expiration of the period within which the next AGM of the Company is required by the Bye-laws or any applicable laws of Bermuda to be held; or (iii) the revocation, variation or removal of the Repurchase Mandate by an ordinary resolution of the Shareholders in general meeting, whichever occurs first, representing not more than 10% of the issued share capital of the Company as at the Latest Practicable Date.

2. REASONS FOR THE REPURCHASE

Although the Directors have no present intention of repurchasing any Shares, they believe that the flexibility afforded by the repurchase proposal would be beneficial to the Company and Shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share of the Company and will only be made when the Directors believe that such a purchase will benefit the Company and its Shareholders.

3. FUNDING OF REPURCHASES

Repurchase of Shares will be funded from the Company's available cash flow or working capital facilities, and will, in any event, be made out of funds legally available for such purposes in accordance with the Bye-laws, the Listing Rules and the laws of Bermuda. The Company is empowered by its Bye-laws to purchase its Shares. The laws of Bermuda provide that the amount of capital repaid in connection with a share repurchase may only be paid out of the capital paid up on the relevant Shares, or from the profits that would otherwise be available for distribution by

way of dividend, or from the proceeds of a new issue of shares made for the purpose. The amount of premium payable on redemption may only be paid out of either the profits that would otherwise be available for distribution by way of dividend or out of the Company's share premium account or contributed surplus account.

On the basis of the current financial position of the Group as disclosed in the 2008 Annual Report and taking into account the current working capital position of the Group, the Directors consider that, if the Repurchase Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Group as compared with the position disclosed in the 2008 Annual Report. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Group or the gearing level which in the opinion of the Directors are from time to time appropriate for the Group.

4. SHARE PRICES

The highest and lowest prices at which the Shares had been traded on the Stock Exchange during each of the previous twelve months prior to the Latest Practicable Date were as follows:

	Price per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2007		
July	2.750	0.460
August	4.500	2.600
September	3.250	2.320
October	3.740	2.640
November	2.950	1.750
December	2.400	1.400
2008		
January	2.000	0.800
February	1.310	0.780
March	1.100	0.880
April	1.000	0.880
May	1.180	0.890
June	0.950	0.700
July (up to the Latest Practicable Date)	0.830	0.630

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the power of the Company to make purchases of the Shares pursuant to the Repurchase Mandate only in accordance with the Listing Rules, the Bye-laws of the Company and the applicable laws of Bermuda.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates (as defined in the Listing Rules) have any present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell any securities to the Company or its Subsidiaries.

No connected person (as defined in the Listing Rules) of the Company has notified the Company that he has a present intention to sell securities to the Company nor has undertaken not to do so, in the event that the Company is authorised to make purchases of Shares upon Repurchase Mandate is approved by the Shareholders.

6. TAKEOVERS CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of the increase of the Shareholder's interest, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date and insofar as the Directors are aware, the following Shareholder(s) had interests representing 5% or more of the issued share capital of the Company which are discloseable under Part XV of the SFO:–

Name of Shareholder	Capacity/Nature of Interest	Number of Shares		Approximate % of existing issued share capital in the Company	Approximate % of issued share capital after the exercise in full of the Repurchase Mandate
		Long Position	Short Position		
Mr. Cheung Ngan	Personal	311,232,469	–	24.73%	27.48%
Plus All Holdings Limited	Beneficial owner	125,000,000	–	9.93%	11.04%

The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchase made under the Repurchase Mandate. As at the Latest Practicable Date, so far as is known to the Directors, no Shareholder may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code in the event that the Directors exercise the power in full to repurchase Shares pursuant to the Repurchase Mandate.

The Directors will exercise the powers conferred by the Repurchase Mandate to repurchase Shares in circumstances, which they deem appropriate for the benefits of the Company and the Shareholders as a whole. However, the Directors have no present intention to exercise the Repurchase Mandate to the extent that the number of Shares in the hands of the public would fall below the prescribed minimum aggregate percentage (under the Listing Rules) of 25%.

7. SHARE PURCHASE MADE BY THE COMPANY

No purchase has been made by the Company of its Shares (whether on the Stock Exchange or otherwise) in the six months prior to the Latest Practicable Date.
